I have decided to start with a four week schedule to rank the teams. The last 6 weeks I will split into likely three groups. The teams will then only play the teams in their pool for the last 6 weeks. The week of Aug 4 - Aug 9 will have no scheduled games however it will be used if make up games need to be played. A default is when the team does not show up or fails to provide 24 hours notice that they are going to miss a game. If a team shows up and does not have the required players, but still wants to play, it is an automatic loss (not default).
